Elton John and Tim Rice's AIDA was originally produced by Disney Theatrical Productions.

Egypt and Nubia are at war. Aida, Princess of Nubia, is captured by Radames, an Egyptian captain. Radames is betrothed to the Pharaoh's daughter, Princess Amneris, and on his return to Egypt he presents Aida as a gift to Amneris, to be her slave. Aida manages to hide her true identity until word spreads throughout the Nubian slave camps that their princess is amongst them. When another member of Aida's family is captured a plan is hatched to escape Egypt and return to Nubia.

Join Sharpe Academy as they present this wonderful story with a live band, dazzling costumes and a cast of young adults destined for the professional stage. Sharpe Academy has built a solid reputation for professional style productions with previous shows presented at Watersmeet such as **Fame the Musical** (February 2012) and **Beauty and the Beast** (February 2011).
