

AIDA Production

Please complete this form if you would like your child to take part in our production of AIDA. Before committing to the show we advise all parents to look at the rehearsal and performance schedule. This can be downloaded from www.SharpeAcademy.co.uk

There are three AIDA rehearsal schedules on our Website Downloads page. If your child attends our Sunday Harrow classes then you need to look at our **Children's Rehearsal Schedule**. Whilst we have planned several AIDA singing and dance workshops for the spring term Sunday lessons in Harrow, the majority of the children's rehearsals will be held on Tuesday evenings in Stanmore. This does mean children who do not wish to take part will not have their Sunday lessons disrupted in the summer term and we can continue to work on a variety of materials. A Stanmore venue map can be downloaded from our website. Your child must be able to attend our Tuesday rehearsals to take part in this production.

The deadline to sign up for AIDA is Sunday 26th February 2012

Is your child available for all the scheduled Tuesday Rehearsals / Performances: YES / NO

If you answered NO to the above question please list your unavailable dates:

Rehearsal / Performance Date Unavailable	Reason for Absence

There is a £25.00 charge per child to be in this production. This is payable by cheque in March to the producer of AIDA '**Daniel Sharpe Limited**'. This charge is made to help with costs for rehearsals, costumes, set and chaperones.

Children will take part in **one dress rehearsal** and **two performances** only at the Watersmeet Theatre. This does mean a child performance licence will **NOT** be required. If however your child has performed in **ANY** other productions out of school in the 6 months leading up to AIDA then please let us know immediately as we may have to then obtain a licence for your child.

Each child should attempt to sell as many tickets as possible. Ticket sales pay for the majority of production costs so we do rely heavily on them to continue producing shows. We do offer a reduced ticket price for group bookings of 15+ tickets as an incentive.

Whilst performing for Daniel Sharpe Limited, the standard Sharpe Academy terms and conditions apply for all rehearsals and performances.

If you agree to all of the above please sign below and hand in this form to Daniel or Nick at Sharpe Academy.
